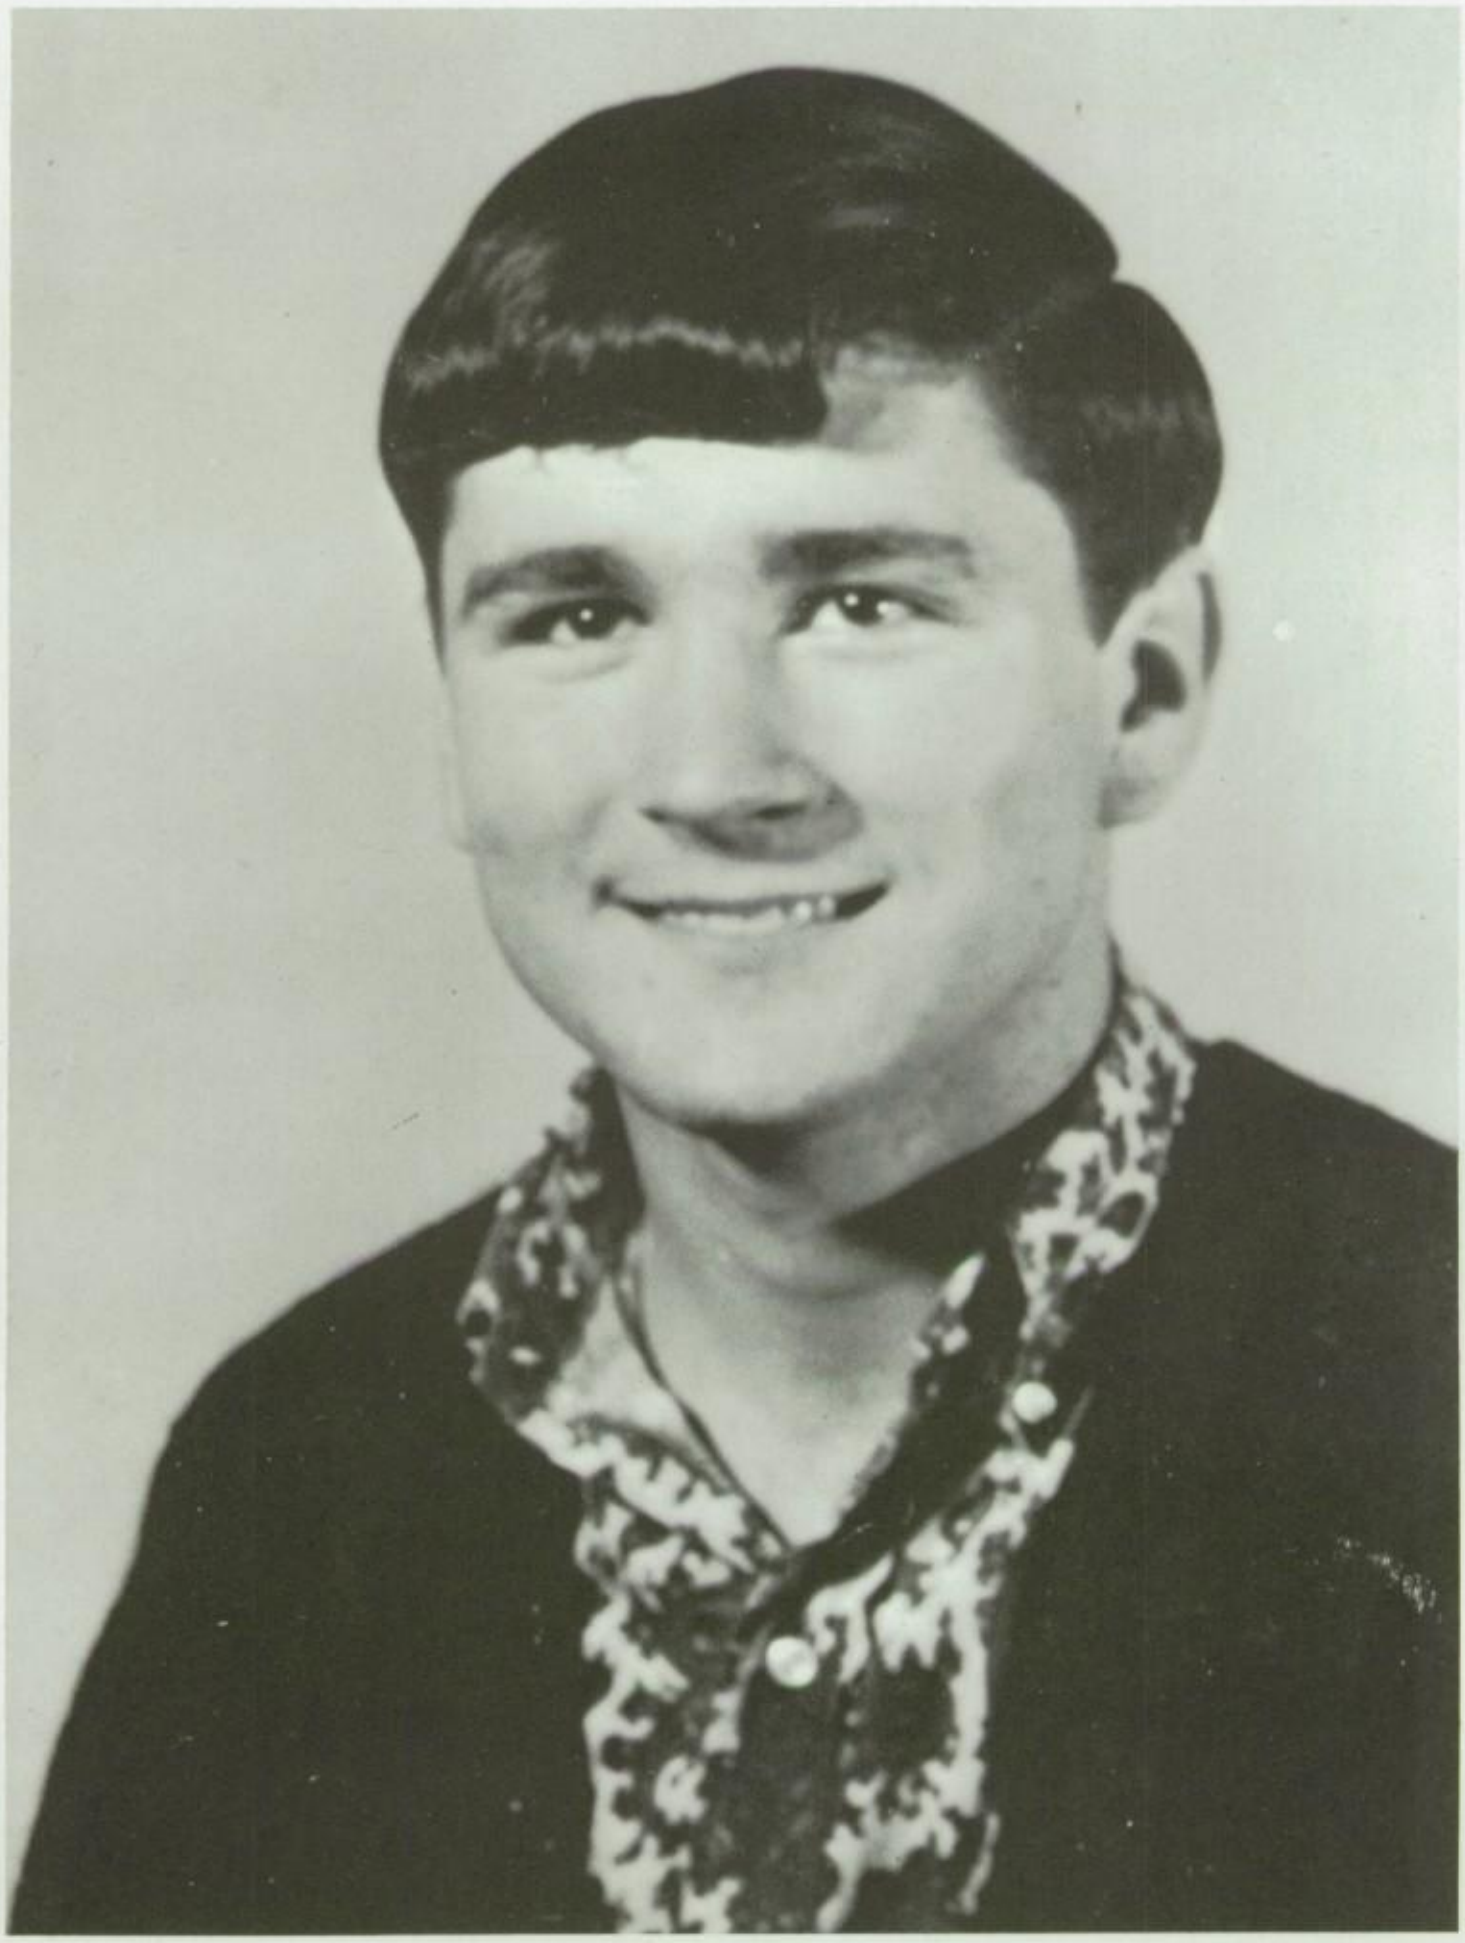
# Dedication

The students of Fulton High School wish to express their deep appreciation to one who has been a teacher, an advisor - but most important - a friend to all.

We dedicate this yearbook to Mrs. Daniels.



*In Memory of Dan Barrett*

"That there should be death is inherent in the fact of life. There is an infinite sadness in the parting. But there is a joy, too, in the life that has been lived and in the influence it has wrought."

Members of the Student Council of Fulton High School help our student body by working to make our school a pleasant one, as well as an educational place to be.

Some of our activities are:

1. Sponsoring school assemblies, which the student body may attend.
2. Working to make it possible for students to enjoy ice cream during their lunch period.
3. Planning and sponsoring the annual Homecoming Dance and halftime entertainment for the Homecoming game.
4. We help teach our student body to be patriotic by leading the Pledge to our flag each morning.

Our student council, which is an organization made up of representatives from each class, and an Organization in our school system, is willing to accept any suggestions or complaints the student body may have that will help improve our school system.

Student Council President

Rick Troub
